

## Women's and Children's Horizons Adults Molested as Children Closed Group

Women's and Children's services are confidential and provided at no cost to clients. All groups and support sessions are facilitated by people who are experienced with the issue of sexual abuse. If we are unable to meet your needs, we will connect you with therapists in the community who specialize in sexual abuse and assault.

Our staff is committed to removing any barriers that would keep people from attending. Feel free to inquire about transportation and child care services if needed.

What is a closed group?

Women's and Children's AMAC group will run in a 12 week cycle and once started, is closed to new participants. Weekly attendance is strongly encouraged.

An "intake" session is required before participation in services. Please contact CJ Figgins –Hunter at 262-656-3500 x105 or Bev Sorensen at 262-656-3500 x104 to schedule an appointment.
